

## United We Stand

This week— let us come together and pray for an outpouring of unity and healing for our nation. The enemy has loosed a spirit of division among us, but we do not have to yield to that spirit. We must stand strong against division and ask God to empower each of us to live in unity and harmony. There are many issues of concern, problems to confront, and decisions to be made. Nothing will more significantly impact our nation for good than an outpouring of a spirit of unity through fervent prayer. Let us be bold in our prayers for this nation and be united in believing for God’s presence to bridge divided hearts and heal our nation.

May we stand united One Nation Under God.

Jesus, we want to thank you for the privilege of serving You and for hearing and answering our prayers. You are Faithful. You are in control. We thank You Lord for this great nation and that it was founded on Your Word. We are aware, more than ever, of our weaknesses and the struggle between good and evil. But Lord, we are standing our ground! Let us be a light in this dark world-Your light, Lord, and help us shine brightly in all that we do. Teach us Your ways O Lord and lead us in a plain path. We need you, Lord. We need You! We ask you to fill our hearts with a Spirit of love and to breathe a fresh wind of unity over us. A threefold cord is not easily broken. And let our differences be unified through your direction. We ask you Lord, to cast down strongholds of strife, political division, racial prejudice, injustice, discord, and division. There are so many things that are not right in Your sight but help us never to overlook what is pure and right and holy. O Lord bind us together and may hearts be open to godly changes as you do a work in restoring and repairing lives today. Let Your Holy Spirit dominate every area of our government and help us walk in love and unity together. For we desire to continue to live under a banner of blessing through our obedience to You. Help us have a heart of gratitude for the many freedoms we have and to never take them for granted. It is in your precious name we ask these things. And Lord as we enter this season of Thanksgiving, thank You for the bountiful supply of blessings You have given us. We are eternally grateful and blessed. Amen.
